WHO WE ARE

TEALER

FRESHLY BAKED

Since 2011, TEALER is a young clothing brand from Paris. The concept is clear : Tealer means Tee Shirt Dealer. Original Tees designers, colorful and fun, their creations are a reflection of their Lifestyle.

Ambition and Creativity are the two words which linked the Tealer Gang.

LOCALLY GROWN

French Bastards.

Join The Gang!

At the beginning, Tealer was known through the word of mouth, and it worked pretty well. Now, they reach a huge success thanks to social networks, blogs... Their Facebook page have more than 300 000 Fans, in only 5 years.

With more than 100 articles talking about us, and a huge sense of communication. Those little Genius make the difference.

THE 1ST WEED WEAR

tealer
In less than 5 years, Tealer opened some pop up stores all around the world, from London to L.A. Their flagship is located in the center of Paris, those Young parisians are from different univers (dj's, street artist, business school).
Together, they decided to change the game of clothing in Paris. Unique and Original they produce themselves everything from the cut to the print with their motto : « Locally grown and independent ».

WE HAVE TWO KIND OF PRODUCTS

Prints are made in Paris, we print in our shop the artwork on white tees, grey crewnecks and grey hoodies on demand.
We have 5 machines in the shop, we print everyday for the webshop, for the distribution and for our customers.

Collection is made in our manufacture in Portugal. We drop a collection every 3/4 months. Beginning of september 2016 we will start to drop collections every 2/3 weeks.

We have limited quantity.
All the clothing products are 100% cotton.
